POLICIES

All members and guests of Myrtle Point Golf Club are asked to please become familiar with and observe the rules and policies of Myrtle Point Golf Club. Your co-operation will help ensure that everyone will enjoy a positive experience.

GENERAL

Myrtle Point Golf Club will not tolerate any abusive behavior towards staff or fellow golfers. Those who fail to adhere to this general rule will be asked to leave the premises immediately.

Please help us keep our course in pristine condition by repairing ball marks, replacing divots and raking bunkers. Please keep all power carts off of tee boxes and greens.

TEE TIMES & BOOKING

All bookings may be made by phone 604-487-4653 or online (Please call the pro-shop to acquire your log in information) or in person. Members may book 7 days in advance. Guests and non-members may book without restriction. Your tee time is the time that you tee off. Please come at least 10 minutes before your tee time to report into the Pro Shop and sign in. All members and guests must register at the Golf Shop prior to starting their round.

If you cannot make your tee time for any reason, you must notify the Pro Shop in advance. A member or guest who has made a tee time booking will be required to call the Pro Shop a minimum of 24 hours prior to the tee time to cancel or amend the number of players in the booking.

There shall be a maximum of four players in a group of golfers. Myrtle Point Golf Club reserves the right to group people together to make foursomes in an attempt to eliminate backups and to use the full playing capacity of the course.

LIABILITY

Golfers are liable for any and all damage they may incur while playing at Myrtle Point Golf Club. We encourage golfers to consider their surroundings when choosing which club to hit. Golfers are required to report any errant shots that enter homeowners' property to the Pro Shop. Myrtle Point Golf Club assumes no liability with regards to errant golf shots and damages done by its players.

PACE OF PLAY

In the interest of all, players should play without delay. It is recommended that a foursome playing 18 holes at Myrtle Point Golf Club should take four hours and thirty minutes or less.

It is the responsibility of each group to maintain their position on the golf course. Those players who stop to eat (sit down) will lose their priority on the 10th tee and must have permission from the Pro Shop or Player Assistant to resume play.

If a group fails to keep their place on the course and loses more than one clear hole on the players in front, it shall invite the group following to play through. The Player Assistant may request the slow group to move to the next hole.

DRESS CODE

Our dress code is fairly relaxed as denim and t-shirts are allowed. Items not allowed are offensive t-shirts, sweat pants, cut-offs, tank tops or torn jeans. Golf shoes or running shoes must be worn. Myrtle Point Golf Club is a soft-spike course. Steel-spiked golf shoes are not permitted.

ALCOHOL CONSUMPTION POLICY

Myrtle Point Golf Club encourages Guests to enjoy the congenial social atmosphere of the Course while acting responsibly in the consumption of alcoholic beverages. All alcoholic beverages will be served in strict compliance with National Golf Course Owners Association (NGCOA) regulations.

Myrtle Point Golf Club has adopted a zero tolerance policy on excessive drinking. Guests are not permitted to consume alcohol to the point of impairment. It is also the service team's legal and moral responsibility to ensure guests refrain from consuming alcoholic beverages to excess, thereby protecting their health and safety.

Myrtle Point Golf club management and staff who serve alcoholic beverages have been instructed and trained to refuse such service to any person who appears to have consumed alcoholic beverages to the point of creating a potential inconvenience or danger to themselves or others.

Guest and members **are not** allowed to bring their own liquor onto the golf course. All liquor sold and consumed on the golf course must be sold and served by Myrtle Point staff. Guests, who are found to have brought their **own liquor** onto the golf course, will be asked to **leave immediately** with no refund of green fees provided.

RAIN CHECK POLICY

Golf is an outdoor activity, which lends itself to the elements. It is understood that during severe weather play must not continue. During these times, Myrtle Point Golf Club understands the position of our guests. We hope that play can be continued in a reasonable time frame and if the customer can wait, they will commence play at a safe time.

We will issue a rain check based on however many holes you have not played and a rain check based on this value will be given to the customer. The rain check is in the form of a receipt and you must have this with you upon your arrival of your next round. In most cases, a balance will be owed, so be prepared for this. Rain checks will not be issued when golf play is started in the rain.
